**Demolition of Clara Cox Homes**  
High Point, NC

D. H. Griffin Wrecking Co., Inc. was contracted to perform the asbestos removal and complete demolition of 44 multi family public housing units, a community center and day care center in High Point, NC. The asbestos removal included piping insulation, surfacing materials and over 155,000 sf of floor covering. Over 200,000 sf of buildings were demolished utilizing conventional demolition methods.
