

Guilford County Elementary School Recycling Challenge

December 30, 2011

Mr. David Griffin, Jr.
D.H. Griffin Company
4716 Hilltop Road
Greensboro, NC 27407

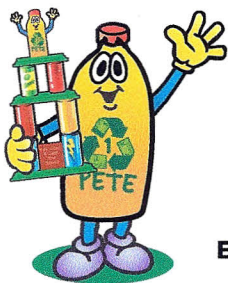

On behalf of Guilford County and the City of High Point, I would like to thank D.H. Griffin Company for your generous contributions to our 2011 Kids, Cans & Ca\$h Recycling Challenge. Your monetary donation made our sixth annual recycling contest a great success.

D.H. Griffin Company helped make it possible for us to provide almost 1,300 elementary school children in Guilford County with Kids, Cans & Ca\$h pencils at our final celebration events. We truly appreciate your donation, which went a long way in helping us to celebrate America Recycles Day and in rewarding the winning schools for their recycling efforts.

Again, we thank you for contributing so much to the success of our Kids, Cans & Ca\$h Recycling Challenge. Your support for our recycling education program is invaluable.

Sincerely,

Rebecca Coplin
Environmental Programs Coordinator
City of High Point

Susan Heim
Environmental Services Coordinator
Guilford County
