

Demolition Experience

OWNER/CLIENT:

Furman University

PROJECT SUMMARY:

- Demolition of stadium press box at this busy university.
- Project currently ongoing.
- Work to be completed in Dec 2012.

**Demolition of Press Box at Furman University
Greenville, SC**

D. H. Griffin Wrecking contracted by Furman University to provide the demolition and removal of the stadium press box and miscellaneous associated concrete structures. DHG utilized special heavy equipment including long arm attachment with pulverizer to safely bring down the structures.
